§ 221.116 Supplement to loose-leaf tariff authorized when service terminated or suspended.

When the Board authorizes or requires a carrier to suspend air transportation service to and from a particular point, or terminates authority to serve a particular point, supplements may be issued to loose-leaf tariffs for the purpose of canceling rates, fares, or other provisions therein applying to, from, at, or via such point for account of such carrier. The title page of a supplement issued hereunder shall bear the following notation on its title page, "Issued under § 221.116 of Economic Regulations of Civil Aeronautics Board." A single tariff shall have not more than one supplement, issued under authority of this section, in effect at any one time. Supplements issued hereunder shall contain no provisions other than the cancellation of rates, fares, or other provisions published under the above authority. When a supplement is issued under authority of this section, the canceled rates, fares, or other provisions shall be specifically removed from the tariff pages on which they appear by reissuing such pages not later than 180 days after the effective date of such supplement.
